

QCC Holiday Bazaar Firing Schedule 11/18 & 11/19

We have designated ZONES to help yo with your time management. Remember a lack of planning on your part does not constitute an emergency on our part.

What do the designated zones mean? We're so glad you asked!

GREEN ZONE: If you have placed your GLAZED pots on the firing counter be fired on any of the dates listed under 'GREEN ZONE" column, they have a 100% chance of making it out of the kiln in time the show.

ORANGE ZONE: If you have placed your GLAZED pots on the firing counter to be fired on any of the dates listed under the "ORANGE ZONE" column, they have a 75-90% chance of making it out of the kiln on time for the show.

RED ZONE: If you have placed your GLAZED pots on the firing counter to be fired on any of the dates listed under the "RED ZONE" column, they have a 0-50% chance of making it out in time for the show.

*Any work fired through class carts will take 2-3 weeks for each firing (for bisque and again for glaze).
